scouts & campers

2 years old by 9/1
1, 2, or 3 days/week

2s, our youngest students, are starting their adventure by learning how to take turns, share, listen to the teacher, walk in a line, and make friends. They are learning to identify shapes and colors, and are beginning to learn letter names. They have lots of opportunitites for sensory play and gross motor development. They play outside when the weather is good and are out of the room for daily chapel, music/PE, Spanish, and lunchtime. At the end of each busy day of fun and learning, they recover with naptime!

Life is an adventure for our twos!

explorers & aviators

3 years old by 9/1
2 or 3 days/week

Threes are learning to discover the world. They are reinforcing letter recognition and learning letter sounds. They are learning to be responsible, to make good choices and to show respect for others.

Threes are working hard on developing their fine motor skills with lots of hands-on activities and practice. With a full schedule including chapel, music/PE, and Spanish, they are turning the corner to becoming big kids!

God's word is the map for our threes!

navigators & mariners

4 years old by 9/1
3 days/week

Pre-K is preparing to launch! These 4-year-old students are learning the rules that govern what sounds letters make within the context of the words, opening up a whole world of learning new things. By the end of the year, many of them will be reading! Daily schedule includes chapel, music/PE, and Spanish. They are learning that growing up means showing the way for those behind them, and that they are never too small to be a light to the world. **Pre-K** is learning to become responsible students and good members of the community.

Pre-K is leading the way!

rangers

5 years old by 9/1
4 days/week

Kindergarten is a first step into big kid school. Our most academic-focused age group, Rangers spend their time wisely, learning letter sounds, blending them into words, learning sight words, and lots of other reading skills. Lots of them will be reading this year! They learn to be independent, responsible, and kind. Rangers still get to go to Music & PE, but they get to go to Kindergarten Art on Tuesdays to learn all about different artists and techniques, and try their hands with different media while building their very own art portfolio.

Compass is cheering for our Rangers!

music & pe

Alternating schedule,
age groups meet individually

Music & PE is a daily part of our students' schedule. They will learn about tempo, beat, and play a variety of instruments. We hope the music they sing helps plant biblical truths deep inside their hearts. During PE, kiddos learn that they are fearfully and wonderfully made by a Creator who loves them inside and out. All our PE activities point to how BIG and amazing our God is!

Along the way, they will be developing gross motor, creative thinking and problem solving skills, practicing the art of following directions, as well as learning right and left, parts of the body, teamwork and cooperation.
