At Compass we believe that

Life is an adventure!
We wonder at God's creation. We will explore new ways to learn and grow and experience life together. Education lets us learn about a big God and marvel at our Creator!

Jesus Christ alone is the way, the truth, and the life. The only way to live a life that is pleasing to God is through a relationship with the Savior.

The Bible is God's instruction. We will map our lives by His plan. We will use God's word to light our path.

Each child in our school represents an entire family we care about. As a ministry of Emmaus Baptist Church, Compass will actively work to meet the needs of the whole family, not just our students.

In addition to pursuing academic excellence through age-appropriate curriculum and the wisdom and dedication of experienced teachers, a Compass

**SCOUT, AVIATOR, EXPLORER,
& NAVIGATOR**

will learn to work independently and as a team, to make a friend and be a friend, to give generously and receive graciously, to take direction and be a leader, to follow a dream and use the Bible for guidance.

We believe that embedding God's word into tiny hearts will build in them a **COMPASS** that leads toward Jesus Christ, the only way to live a life that is truly free.
